GRANT AND RESERVATION OF EASEMENT

Quail Run Development, LLC ("**QRD**"), a Utah limited liability company, and Holladay 2550, LLC ("**H 2550**"), a Utah limited liability company (together, the "**Grantors**") do hereby reserve, make and enter into this GRANT AND RESERVATION OF EASEMENT (the "**Easement Grant**") intending to bind themselves, as well as their assigns and successors in interest, for the benefit of the Grantees identified in 1, below, and the successors in interest and assigns of the Grantees. Capitalized terms employed in this Easement Grant shall have the meanings provided for them in this instrument or in the Declaration.

Preliminary Statement.

- A. QRD is the developer of that certain subdivision development in Sandy City, Utah, identified and known as "Monte Cristo at LaCaille" (the "**Subdivision**"), the plat ("**Plat**") for which was recorded in the records of the Salt Lake County Recorder on November 16, 2022, as Entry #14042899, in Book 2022P at Page 286. The Plat identifies certain parcels as Common Areas to be held and managed for the benefit of the owners of the Lots of the Subdivision (the "**Common Areas**"). Included within those Common Areas is that certain private street identified in the Plat as "**Quail Hill Lane**", which is more particularly described on **Exhibit A**, attached hereto and incorporated herein by this reference.
- B. On the date of this Easement Grant, title to the Common Areas is held by QRD.
- C. After execution and recordation of this Easement Grant, QRD will execute, as Declarant, and cause the Declaration of Covenants, Conditions and Restrictions for the Subdivision (the "**Declaration**") to be recorded in the records of the Salt Lake County Recorder, and will cause Monte Cristo at La Caille Homeowners Association, Inc., a non-profit corporation (herein called the "**Association**") to be organized in the state of Utah.
- D. On the date of this Easement Grant, QRD and H 2550, by separate interests, together hold record title to all of the subdivided Lots (term defined in the Declaration) in the Subdivision, and therefore are all of the owners of Lots of the Subdivision, and in their capacities as the holders of equity interests in the Common Areas.
- E. There are certain lots and parcels of real property situated east of Wasatch Boulevard and west of the Subdivision which are more particularly described on **Exhibit B**, attached hereto and incorporated herein by this reference. Those lots and parcels are separately owned by Kevin P. Gates, Holladay 2550, LLC, a Utah limited liability company, and Chateau LaCaille, LLC, a Utah limited liability company. The lots and parcels described on Exhibit B are together known as and are all associated with "**La Caille™**". The lots and parcels described on Exhibit B are herein called the "**La Caille Estate**". Grantors acknowledge that an easement and private lane across certain portions of the La Caille

Estate was previously granted and reserved to and for the benefit of the owners and lawful occupants and users of Lots in the Subdivision.

- F. Grantors have determined that it is in the best interests of the Association and its members to, and desire hereby to create, grant, convey and reserve certain rights and interests in an easement for access, ingress and egress over Quail Hill Lane for the benefit of owners, occupants and invitees of La Caille Estate properties.

NOW, THEREFORE, in consideration of the foregoing, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Grantors, for themselves and for their successors and assigns, expressly including the Association, agree, make and enter into this Easement Grant as follows:

1. Grantor QRD, in its capacity as the developer of the Subdivision, and on the date of this Easement Grant the holder of title to the Common Areas in the Subdivision, and Grantors QRD and H 2550, together in their capacities as holders of the equitable interests in those Common Areas, do hereby for their successors and assigns (particularly including, but not limited to, the contemplated Association and all future Lot owners) create, grant, and convey a permanent, non-exclusive easement over, across and along Quail Hill Lane, as the servient property, for access, ingress and egress to and from the La Caille Estate properties and the public streets of Sandy City to which it connects, to Kevin P. Gates, an individual, Holladay 2550, LLC, and Chateau LaCaille, LLC, a Utah limited liability company, and their successors in interest, in their capacities as owners of the La Caille Estate properties, and for the benefit of any lawful occupants, guests, contractors, service providers, and other invitees of the La Caille Estate properties (the "Grantees"). In the event of any conflict of interests, the rights and interests of Grantees hereunder shall be secondary and subordinate to those of Grantor QRD, for itself as Developer, the Subdivision Lot owners and the Association. No exercise by Grantees of the foregoing rights and privileges shall be made in a manner that will cause extraordinary wear and tear upon, or damage, Quail Hill Lane, nor made in a manner that interferes with use of Quail Hill Lane by the Grantors, by the Subdivision Lot owners, occupants and/or guests, and/or by the Association. In no event shall the gross weight of any vehicle which exercises a Grantee's easement rights hereunder exceed that of vehicles customarily used in residential construction, including cranes.

2. Grantor QRD, for itself as Developer, and for the Association, as a successor in interest, shall have the exclusive rights and duties to install, maintain, improve, repair, alter, inspect, and/or modify an improved surface thereon suitable for vehicular transportation. Notwithstanding the foregoing, in the event that any material damage or extraordinary wear and tear demonstrably results directly from a Grantee's abuse or misuse of the easement, such Grantee shall be responsible for all reasonable costs and expenses incurred in making repairs.

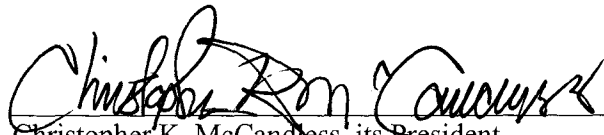

3. No parking by Grantees, nor or any other form of use of the Easement Property or the property adjacent to Quail Hill Lane – other than for repairs -- which could serve to block or unnecessarily impede passage or permitted uses shall be permitted.

4. The easement granted herein shall be perpetual and shall constitute a covenant which runs with the land and shall be appurtenant to the La Caille Estate properties and each of them, severally, as the dominant properties, and shall not be affected by any future boundary adjustments, subdivisions or reconfigurations of such dominant properties. This Easement Grant is intended to and shall inure to the benefit of and be binding upon the respective heirs, representatives, successors and assigns of the Grantors. If any provision of this Easement Grant or the application of any provision of this Easement Grant to any circumstance shall to any extent be unenforceable, (a) the remainder of this Easement Grant, (b) the application of any such provision in the event such circumstance is changed or otherwise resolved, and/or

(c) the application to circumstances other than those as to which such provision is held invalid or unenforceable -- shall not be affected by such invalidity or unenforceability, and be enforceable to the fullest extent permitted by law.
